

Route description to KomS-BW

Address:

Kompetenzzentrum Spurenstoffe Baden-Württemberg
c/o Universität Stuttgart
Bandtäle 2
70569 Stuttgart – Bösau

The Kompetenzzentrum Spurenstoffe is located on the premises of the Institute of Sanitary Engineering, Water Quality and Solid Waste Management at the University of Stuttgart. The institute is situated in the Bösau district located in a small distance from the Vaihingen campus.

By car:

Access the **A831/B14 towards Stuttgart-Vaihingen** at Stuttgart junction.

Take the exit **Stuttgart-Vaihingen**, keep right and continue on **Hauptstraße**.

After 450 m, turn left into **Heerstraße**.

After 100 m, turn left into **Katzenbachstraße**.

Cross the roundabout and continue on **Büsnauer Straße**.

In Büsnau, turn right into **Kaindlstraße**, turn right to stay on Kaindlstraße (follow the signs to **ISWA/teaching and research WWTP**).

The **Institute of Sanitary Engineering, Water Quality and Solid Waste Management** is located at the end of the street.

By public transportation:

From Stuttgart main station (Hauptbahnhof) take S-Bahn lines **S1, S2 and S3** to the station **Universität**.

From the station **Universität**, take bus lines **84, 91 92, 747 and 748** to the station **Am Schattwald**.

Take the small footpath that runs above the station to **Kipperweg**. After approximately 200 m, turn right into **Kaindlstraße**. After approximately 50 m, turn left to continue on **Kaindlstraße** (follow the signs to **ISWA/teaching and research WWTP**).

The **Institute of Sanitary Engineering, Water Quality and Solid Waste Management** is located at the end of the street.
